

RUMS OF THE CARIBBEAN

Due to the ever changing flavors and raves in the Caribbean, our inventory of rums will constantly evolve for the benefit of our guests. The Caribbean Journal says, "It's a wonderful, refreshing idea for the all-inclusive sector - and one that could turn this bar into a rum destination in its own right." We hope you will find a new favorite to take home and share with friends. Tell us which ones you like best on [f](#) and [t](#).
